

Arizona State University Annual Diagnostics Summit

Thursday, October 17, 2024

8am-1pm Pacific / 11am-4pm Eastern

(Lunch & CEO Panel from 12-1pm Pacific / 3-4pm Eastern)

Join us in person in Phoenix or virtually in Zoom!

AGENDA:

Our Summit convenes leaders from academia, industry and government to discuss, debate and decide the issues most relevant to diagnostics.

Keynote Speaker: Ned Sharpless, Former Director - National Cancer Institute

Panel #1 | Smart Integration: Diagnostics, Drugs, Devices, and Data

Panel #2 | Crossing the Chasm: Educating Healthcare Providers in Diagnostics

Panel #3 | Navigating the New FDA LDT Rule: Impacts and Insights

Panel #4 | Managing Reimbursement for Diagnostics

Panel #5 | Generative AI's Revolution: Preparing for the Future

CEO Lunch Panel | Leading Diagnostics Companies in Turbulent Times
